Amber Palace | Collection 2019

AMBER PALACE, Travers newest fabric collection captures the essence of its namesake palace in Rajasthan, India. Inspired by the timeless and sophisticated colour palette on record from Jackie Kennedy's 1962 voyage to India, we began by reimagining new colors of our best-selling print Beaumont Indienne. Focusing on craftsmanship and artisanal details, these elements of great design are threaded into both the collection and our brand heritage. AMBER PALACE marries the classic origins of Travers with a freshness for today's market.
