

GITANE

Gitane charms with its exuberance! It takes you on a world trip from Tibet to Zimbabwe and to the beautiful Italian flower fields. It plays with eclectic scenes and patterns, which gives it an awe-inspiring appearance. The varied mix of materials and the colour palette contribute to a striking whole. Maximalism has no rules – nothing is too crazy. And that is exactly what makes this style so much fun. It is also an extension of your personality. A wallcovering with character and impact? That is Gitane!
